NON-ACADEMIC CERTIFICATIONS

- Event Management:** Successfully managed Satarang 2025 during Bachelor's studies, demonstrating leadership and coordination skills.
- Competitions:** Actively participated and won in multiple inter-college competitions (2024 & 2025), including Impetus 2024.
- Certifications:** Completed Coursera Git & GitHub Masterclass, Linux Commands, and Generative AI: Introduction and Applications.

ACADEMIC PROJECTS

- Personal Expense Tracker – Full-Stack Web Application
- Built a full-stack expense tracking system using Node.js, Express.js, PostgreSQL (Supabase), and EJS.
 - Implemented manual and Google OAuth authentication, role-based admin access, and deployed the application on Render with a live production database.
 - Live Demo: <https://college-expense-app.onrender.com>

EXPERIENCE

- Placement Coordinator – IIPC, LJ University (Present)
- Coordinated placement activities, student communication, and recruiter interactions.
